

Report on - DG: UMID Resolution Protocol

Yoshi Shibata

Chair, DG UMID Resolution Protocol

2023-09-21

The home of media professionals, technologists, and engineers

DG: UMID Resolution Protocol

- Activities since the Melbourne
 - Sorry, no progress at all ...
 - More focusing on the TC-30MR business
 - SMPTE RP 205 (UMID Applications):
 - decided to freeze the current contents and prepare for the pre-FCD ballot review

Next Step

- More focusing on the TC-30MR business
 - To prepare for the pre-FCD ballot review
- Re-prepares the Workplace in MS Teams
 - Reference documents to be stored
 - Call for further participations
 - Welcome any preliminary discussions!
- Hopefully provides initial “skeleton” draft
