

Report on - DG: UMID Resolution Protocol

Yoshi Shibata

Chair, DG UMID Resolution Protocol

2024-3-6

The home of media professionals, technologists, and engineers

DG: UMID Resolution Protocol

- Activities since the December meeting
 - Sorry, no progress at all ...
 - More focusing on the TC-30MR business
 - SMPTE RP 205 (UMID Applications):
 - Conducted the consensus vote to skip the pre-FCD-ballot review, which has been passed and thus the FCD ballot starts shortly

Next Step

- More focusing on the TC-30MR business
 - To pass the FCD ballot for RP 205
- Re-prepares the Workplace in MS Teams
 - Reference documents to be stored
 - Call for further participations
 - Welcome any preliminary discussions!
- Hopefully provides initial “skeleton” draft
