

# Report on - DG: UMID Resolution Protocol

Yoshi Shibata

Chair, DG UMID Resolution Protocol

2024-6-5

*The home of media professionals, technologists, and engineers*

# DG: UMID Resolution Protocol

- Activities since the March meeting
  - Sorry, no progress at all ...
    - More focusing on the TC-30MR business
      - SMPTE RP 205 (UMID Applications):
        - Passed the FCD ballot and will go into the ST Audit

# Next Step

- More focusing on the TC-30MR business
  - To watch it through to the publication
- Re-prepares the Workplace in MS Teams
  - Reference documents to be stored
  - Call for further participations
  - Welcome any preliminary discussions!
- Hopefully provides initial “skeleton” draft
