

Report on - DG: UMID Resolution Protocol

Yoshi Shibata

Chair, DG UMID Resolution Protocol

2024-9-19

The home of media professionals, technologists, and engineers

DG: UMID Resolution Protocol

- Activities since the Ottawa meeting
 - Sorry, no progress at all ...
 - More focusing on the TC-30MR business
 - SMPTE RP 205 (UMID Applications):
 - Decided to conduct another pre-FCD ballot review because of certain problems found in the HQ's final text review before publication

Next Step

- More focusing on the TC-30MR business
 - To conduct another pre-FCD ballot review and comment resolutions for RP 205
- Re-prepares the Workplace in MS Teams
 - Reference documents to be stored
 - Call for further participations
 - Welcome any preliminary discussions!
- Hopefully provides initial “skeleton” draft
