# SG: UMID Application

## ▶ Activities since the Atlanta

- First half of “Study Report Part 2” (a.k.a. “Part 2–1”) submitted to the TC Chairs (February 20)[1]
  - Discusses technologies to be additionally standardized to enhance the UMID applications.
  - Specifically contains:
    - UMID Resolution Protocol
    - UMID based Program Package Exchange
- Second half of “Study Report Part 2” (a.k.a. “Part 2–2”) still under development
  - Will contain
    - UMID Applications in MXF
    - etc.
